Software Developer

Who we are: www.cappitech.com

Cappitech is a true Fin-Tech startup firm. We invite you to join our team that builds our SaaS platform for financial clients. The product uses many of the latest and greatest cloud techniques and technologies.

If you are: **C# expert**, who has proven **AWS cloud** control & 3 years of experience - We offer you a great opportunity as a top developer, to be part of a strong team, grow rapidly and expand area of expertise in the Fin-Tech world.

Professional & Personal Requirements

- 3+ years of experience as C# developer
- Computer Science B.Sc. degree (or equivalent)
- Must experience with:
 - AWS cloud
 - Building highly secured solutions
 - DB & SQL experience
- Automation tests
- Continuous integration / deployment

- Fluent English
- Team player

We have much to say about how fun/great/appealing it is to be part of our place but... First, you'll have to prove yourself! Start by sending your relevant CV.

Please send resume to: hr@cappitech.com
