

Job Description
Professional Services Analyst

The Company

www.cappitech.com

Cappitech is a leading provider of regulation technology for the financial services industry. Through Capptivate, our regulatory service platform, customers can easily automate submission and analyze their daily trades to comply with international financial transaction reporting obligations. Our cross-regulation platform uses state-of-the-art technology to provide a unified experience for all regulatory reporting along with an industry leading analytics dashboard to process and audit review compliance reports. Trusted by over 60 financial institutions, Cappitech provides superior service and personalized guidance using its vast operational regulatory expertise.

Led by a team of experienced FinTech professionals with a proven track record, Cappitech has been named a RegTech 100 company – one of the world's most innovative RechTech companies by FinTech Global, a data and research firm. In addition, earlier in 2018 the company raised \$4M in capital funding from a leading VC and private investors

The Role

Cappitech's clients are International brokers and banks who use our platform for their regulatory reporting (European, Canada, Australia).

The Business Analyst will:

1. Understand the client needs and match them with the platform
2. Lead client On-Boarding process to the platform - using both technical skills and financial knowledge
3. Provide ongoing monitoring and support to onboarded customers
4. Take part in the Professional Services Team's projects

Personal & Professional Requirements

Must have:

- Previous successful proven experience in the technical field (1-3 years)
- Client facing experience and/or team work experience
- Microsoft Office experience especially Excel
- Details and Data oriented
- Excellent English
- Great communication and interpersonal abilities

Advantage

Experience with:

- Trading and/or back-office experience
- SQL
- BI systems
- Cloud
- Agile development process
